

Clerk of the Court,

3/19/06

I'm writing in reference to case #1:06-cv-19(MAS). There seems to be an error by the Prison Business Office. They have not disbursed the \$22.00 filing fee, as authorized on 2/3/06. Indicated in the correspondence I received dated 2/6/06, the Prison Business Office was sent a copy of the authorization. The amount was always available on my account. Unfortunately the check was never cut. I've since sent a letter to the Business Office requesting them to send the payment required. I apologize for the delay.

John Robertson

Respectfully,

John Robertson
